

Price List

We understand that wedding planning is stressful which is why we've come up with these four packages to help you decide. All packages (apart from our Pure & Simple packages at the bottom of the list) have the following features:

- A pre-wedding consultation at your home or venue to ensure that we understand all your requirements.
- We visit all venues that your wedding will be using, and are happy to meet with you there to further discuss your plans.
- Unobtrusive 'reportage style' photo coverage as well as time allotted to traditional posed group shots and artistically directed shots of you as a couple.
- We will be with you for 7 hours – this is generally enough time to include the bride's final preparations right through to the first dance.
- All the shots taken on the day on a DVD-R including toned and black & white shots, with permission given for you to make unlimited prints for friends and family (all other uses must be cleared with us first).
- An online gallery with a link that you can email to friends or post on your Facebook or Twitter account.
- A post-wedding consultation enabling us to personally design your album to your exact specifications.
- Beautiful photographic page albums, handmade in England or Italy.

The type of album you receive depends on the package you choose. The packages are as follows:

silver £850

This package comes with all described above and includes a beautiful photo album, hand-made in England. It contains a minimum of 30 pages (more can be added on request for an extra fee), photographically printed on lustre-finish paper with lay-flat double page spreads. You can choose from a number of different cover colours or have your favourite image put on the cover.

gold £1000

As Silver, but...

- Album is handmade in Italy by the world-renowned Graphistudio. You'll receive 30 pages, mounted on thick card with lay-flat binding and a choice of 4 different covers. Album size is 25cms x 35cms.

platinum £1100

As Gold, but with enhanced Graphistudio album:

diamond £1350

This is our premium package. It's all-singing, all-dancing and gives you the maximum freedom of choice. It's as the Gold package, but with...

- Extended photographic coverage (maximum 10 hours). This could include a pre-wedding shoot at your venue (or favourite location of your choice) enabling you to build up confidence in front of the camera to get the best possible relaxed results on the day. We could be in attendance from the bride's preparations to the end of your evening reception enabling you to record your first dance and departure.
- A larger, super-luxury (how does a die-cut leather cover sound?) Graphistudio story book album. (size 30 x 40cms)

Customer satisfaction is the most important thing to us.

If the packages above don't meet your budgetary needs, then don't panic – call us for a special package of your own. We are happy to negotiate with you to give you the best possible service for your budget. No matter what you can afford, the quality of our work remains the same. Nothing is fixed in stone – for example, many couples choose to upgrade their albums after the wedding. Here's just some of the options you could add to your package:

- Parent books – add mini-clones of your main album as gifts to your families.
- Second photographer – for when you really don't want to miss a thing!
- Framed prints and canvasses – a great gift idea or as an addition to your walls at home.
- Extra pages in your album.
- Extra DVD copies.
- Call us for pricing on these and other options.

Finally, we're pleased to be able to offer the following for those of you whose budget is a little on the lighter side:

However, we appreciate that some of you may be looking at winter weddings to help your budget go further, so in November, January, February and March we offer this deal on weekends as well!

- We'll be in attendance for a maximum of 4 hours.
- You'll receive a 33cms x 25cms hardbacked book with digitally printed pages and a photo dust-cover

even purer & simpler £500

The bare bones for when the belt is really tight. This package is as Pure & Simple but with no book. You will receive only a DVD with all your photos on.
